

WFOR-TV QUARTERLY ISSUES/PROGRAMS LIST
APRIL 1, 2008 THROUGH JUNE 30, 2008

Attached are listings of broadcasts or broadcast segments that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three-month period. During the preceding quarter, the Station also broadcast CBS Network programs such as 60 MINUTES SUNDAY, FACE THE NATION, and 48 HOURS. Additionally, the Station broadcast a quarterly episode of the syndicated show THE ECOZONE PROJECT focusing on environmental issues. In addition, the Station produced and broadcast a "Community Calendar" and public service announcements promoting local community events and campaigns. Also, the Station produced and broadcast a series of NEIGHBORS 4 NEIGHBORS segments encouraging viewers who need help and those who want to help to call a telephone hot line staffed twelve hours daily. Each 30-second segment is placed in a random rotation ranging from one week to several months, depending on the topic, need and response. All of these programs are part of Station's plan to address issues of concern to our viewers.

4 SUNDAY MORNING – A half-hour weekly public affairs broadcast featuring panel discussions and interviews with community leaders, focusing on important issues of local concern. Broadcast dates and times as indicated in the report.

CBS4 NEWS FEATURE REPORTS – Specials and series reports focusing on important local issues. These reports air during selected CBS4 News broadcasts. Duration: Each part is approximately three minutes. Broadcast dates and times as indicated in the report.

CONNECTING WITH KIDS SPECIALS – A series of special half-hour broadcasts focusing on issues of critical concern to children and their families. Broadcast dates and times as indicated in the report.

GOVERNMENT/ECONOMY: Topics in this category included: effect of budget cuts on Florida's justice system; Florida's atonement for slavery; Florida legislative priorities; City of Miami mayoral race; Miami-Dade County's prospects; high cost of fuel and possible solutions; Florida Marlins' stadium; Congressional race; Miami-Dade transit investigation; homelessness elimination plan; analysis of presumptive Presidential candidates; kids views on Presidential race; and financial help reports and phonebanks.

4 SUNDAY MORNING: 4/13, 11 AM. Katherine Fernandez-Rundle, Miami-Dade State Attorney discussed the impact that Florida's proposed budget cuts would have on the courts and the justice system. In another segment, Dr. Marvin Dunn, retired college professor and author, discussed the Florida legislature's recent efforts to atone for slavery. In a third segment, CBS4 News Commentator Jim DeFede questioned why the Florida legislature is debating guns at work and ultrasound equipment in a time of severe budget cuts. 4/20, 11 AM. City of Miami Commissioner Tomas Regalado discussed his vision for the City of Miami and his mayoral campaign. 4/27, 11 AM. Miami-Dade County Mayor, Carlos Alvarez discussed the county's budget, programs and the county's future. In another segment, Jorge Pinon, University of Miami and former oil company executive, discussed the causes of the high cost of fuel and possible solutions to help cope with this crisis. 6/8, 11 AM. CBS4 political reporter Michael Williams examined the Democratic Presidential Race and its place in American history. In another segment, David Samson, President of the Florida Marlins, discussed plans for the new Florida Marlins stadium and its role in the City of Miami Megaplan for development of some of the City's blighted areas. In a third segment, Congresswoman Ileana Ros-Lehtinen discussed the major federal issues affecting South Florida and her bid for reelection. 6/15, 11 AM. Miami-Dade Commissioner Carlos Gimenez; Jorge Cueto, member of the Citizens Independent Transit Trust; and Larry Lebowitz, Miami Herald reporter discussed the results of a CBS4 News/Miami Herald investigation revealing that the half-cent sales tax approved by Miami-Dade county votes years ago was not been used as intended for mass transit improvements. In another segment, Jorge Pinon, University of Miami, discussed the current economic and political effects of soaring gas prices and the outlook for the future. 6/22, 11 AM. Philip Mangano, Executive Director of the U.S. Interagency Council on Homelessness, discussed this federal agency plan to end homelessness during this decade and preventive programs available at the local level. In another segment, CBS4 News Commentator Jim DeFede provided an analysis of the two presumptive Presidential candidates and gave his views on what each would have to do to win in November. 6/29, 11 AM. Matt Haggman, Miami Herald Reporter, provided an update on the real estate market in South Florida. **CBS4 NEWS FEATURE REPORT: WHAT KIDS THINK?** 4/16, 5 PM.
